Fernando Botero. Circus. Paintings and Works on Paper.

~~125,00 €~~ 55,00 €

Mit vielen Farbtafeln. Glitterati, New York und London 2013. 30 x 23,5 cm. 256 S. Leinengebunden mit Umschlag.- Inspired by a traveling circus he encountered in a small Mexican town on the Pacific coast, Fernando Botero uses bright colors and unexpected movement to celebrate the poetry of the circus in Circus: Paintings and Works on Paper.- This latest title marks the first time the complete circus series has ever been published together as a collection and represents all of the esteemed artist's work on one of his favorite subjects, one which has also inspired the likes of Renoir, Picasso, Seurat, Lautrec, Chagall, Léger, and Calder.
